CenturyLink Fiber Internet is more than speed

It is the full potential of the Internet –
for every device, every room, and every person.

What can you do with Fiber Gigabit?

Media Download	20 Mbps	Up to 940 Mbps
Photos (5 MB)	2 sec	Under 1 sec
Music (70 MB)	29 sec	Under 1 sec
TV Shows (175 MB)	73 sec	2 sec
Movies (700 MB)	293 sec	6 sec

Customer speed experiences will vary, particularly when accessing the Internet wirelessly from various devices, and are not guaranteed. Maximum download/upload speeds are up to 940 megabits per second via a wired connection due to overhead capacity reserved to deliver the data. Internet speeds are not guaranteed due to conditions outside of network control, including customer location, devices, equipment, and access through a wired or wireless connection; see centurylink.com/InternetPolicy for more information. Comparison based on CenturyLink Internet 20 Mbps v. Fiber Gigabit wired speed results as of April 2019. See centurylink.com for details.

Service and offer are not available everywhere. Available to new qualifying, residential customers and current CenturyLink residential customers who qualify, contact CenturyLink for details. Limited time offer. Credit check, deposit or prepayment with a credit or debit card may be required. **Rate requires new Internet subscription and paperless billing. If paperless billing is cancelled or not activated in a timely manner, the then-current standard rate will apply. Monthly service rates, leased equipment rates, and taxes, fees, and surcharges, are subject to change.** Month to month (referred to as "no contract") service means no term commitment and may be cancelled at any time without an early termination fee but customer must accept High-Speed Internet Subscriber Agreement prior to using service (see www.centurylink.com/eula). When cancelling service on any day other than the last day of your billing cycle, all monthly rates, fees, and taxes, will apply in full and payments received for unused service will not be refunded or credited to account. Plan cannot be combined with other promotions. Additional restrictions may apply. CenturyLink may change, cancel, or substitute offers and services, or vary them by service area, at its sole discretion without notice. All products and services listed are governed by tariffs, terms of service, or terms and conditions posted at www.centurylink.com/terms. See www.centurylink.com/feesandtaxes for applicable taxes, fees and surcharges. **Modem and Install Offer:** Limited time offer is available to new, residential CenturyLink customers who sign up for a new, qualifying Fiber Gigabit Internet plan. Limit one offer per household during a 12-month period. Offer may not be transferable or stackable with certain promotions. CenturyLink may change or cancel offer at its sole discretion without notice. Additional restrictions apply. **Modem: Taxes will apply.** One modem will be provided at no charge. Equipment provided on a one-time basis (no exchanges, upgrades, substitutions, or replacements) and at CenturyLink's discretion. High-Speed Internet Subscriber Agreement Equipment Return policy applies. **Installation:** If customer completes sign-up through www.centurylink.com, offer will also include professional installation at resident's eligible location. Technician will provide the modem at the time of installation. **Prepayment:** If offer requires monthly prepayment, service will begin on the date your order is completed and full payment is processed through your choice of debit card, credit card, or other prepay service available with your subscription. Each month following, a recurring e-commerce transaction for your service will be processed as service automatically renews monthly until cancelled by customer. When cancelling service on any day other than the last day of your billing cycle, all monthly rates, fees, and taxes, will apply in full and payments received for unused service will not be refunded or credited to account. To cancel, customer must log-in to account portal and click cancel to place the request. **Secure WiFi:** If your modem includes the Secure WiFi feature, it should begin working within 72 hours of activating as long as you fully install it and leave it plugged in. Altering modem settings may disable Secure WiFi, as will Internet connection issues. If you are unsure whether Secure WiFi is working, contact us. Restrictions apply. © 2021 CenturyLink.
